INDEPENDENT AUDITORS' REPORT

To the Board of Directors Young Men's Christian Association of the Pikes Peak Region

We have audited the accompanying consolidated financial statements of Young Men's Christian Association of the Pikes Peak Region and YMCA Foundation of the Pikes Peak Region (collectively, the Organization), which comprise the consolidated statement of financial position as of December 31, 2018, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2018, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the consolidated financial statements, in 2018 the Organization adopted the Financial Accounting Standards Board's Accounting Standards Update (ASU) 2016-14, Not-for Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities as of and for the year ended December 31, 2018. The requirements of the ASU have been applied retrospectively to all periods presented. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited the Organization's 2017 consolidated financial statements, and we expressed an unmodified audit opinion on those financial statements in our report dated May 17, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Stockman Kast Ryan + Co. LLP

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Young Men's Christian Association of the Pikes Peak Region's (YMCA) purpose and objectives are to operate institutions exclusively for religious, charitable, scientific and educational purposes, including the rehabilitation and welfare of youth and to establish and maintain a fellowship of individuals and families of all faiths. Including, helping persons develop Christian personalities and to aid in building a Christian society through the improvement of physical, mental, social, moral and educational conditions of persons who participate in YMCA programs and the community served by the YMCA. The YMCA currently has seventeen centers operating out of eight facilities (including Camp Shady Brook) serving individuals in the Colorado Springs and surrounding El Paso County area.

The YMCA Foundation of the Pikes Peak Region (Foundation) was established as a supporting organization of the YMCA. The Foundation entered dissolution in 2018, and all net assets were transferred to the YMCA during 2018.

Principles of Consolidation — The consolidated financial statements include the accounts of the YMCA and the Foundation (collectively referred to as the Organization). The Foundation is consolidated since the YMCA has both an economic interest in and control over the Foundation. All material interorganization transactions have been eliminated.

Net Assets — The Organization reports information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions - Net assets available for use in general operations - not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions - net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Comparative Financial Information — The financial statements include certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2017, from which the summarized information was derived.

Cash and Cash Equivalents — For purposes of the statement of cash flows, the Organization considers cash, amounts due from banks and highly liquid investments purchased with original maturities of three months or less to be cash and cash equivalents.

Accounts Receivable — Accounts receivable relate to amounts due for various services. Accounts receivable are stated at the amount management expects to collect from outstanding balances.

Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables.

Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the applicable accounts receivable. At December 31, 2018 and 2017 no allowance had been recorded on the accounts receivable.

Promises to Give — Unconditional promises to give are recognized as revenues in the period received as assets, decreases of liabilities or expenses depending on the form of the benefits received. Promises to give are recorded at net realizable value if expected to be collected within one year and at the present value of estimated future cash flows if expected to be collected in more than one year. Amortization of the discount is included in contribution revenue. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Investments — Investments are recorded at fair value, with realized and unrealized gains and losses included as revenue in the consolidated statements of activities. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Donated investments are recorded at fair value on the date of donation. Fair values for mutual funds and common stocks are determined principally through quoted market prices. Fair values for fixed income securities are determined principally through pricing services.

Property and Equipment — Property and equipment are stated at cost or, if donated, at the fair market value at the date of the donation. Acquisitions of property and equipment in excess of \$3,000 and having a useful life exceeding one year and expenditures, repairs, maintenance, renewals, and betterments that materially prolong the useful lives of the assets are capitalized. Depreciation is computed using the straight-line method over estimated useful lives of ten to fifty years for buildings and improvements and three to twenty-five years for furniture, fixtures and equipment.

Contributions — Gifts of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions. When a donor-stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as revenue and net assets without donor restrictions.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized and is reported as contribution revenue.

Donation of Long-Lived Assets — The Organization has recorded donations of the use of long-lived assets in which the donor retains legal title as contribution revenue in the period in which the contribution or promise to give is received and expenses in the period the long-lived assets are used. The Organization has adopted a policy of not implying a time restriction and has recorded donated assets as increases in net assets without donor restrictions.

Income Tax Status — The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

The Organization believes that it does not have any uncertain tax positions that are material to the financial statements.

Revenue Recognition — Income from membership dues is deferred and recognized over the periods to which the dues relate.

Marketing — The Organization expenses marketing costs as they are incurred. Total marketing expenses for 2018 and 2017 were \$470,688 and \$391,679, respectively.

Use of Estimates — The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Change in Accounting Principle — On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958)- *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. During 2018, the Organization implemented ASU 2016-14 and adjusted the presentation in these financial statements accordingly. The ASU has been applied retrospectively to all periods presented.

Subsequent Events — The Organization has evaluated subsequent events for recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available for issuance.

2. LIQUIDITY AND AVAILABILITY

The following table reflects the Organization's financial assets as of December 31, 2018 and 2017, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual restrictions. Amounts not available to meet general expenditures within one year include net assets with donor restrictions.

	2018	2017
Cash and cash equivalents	\$ 3,883,902	\$ 5,856,199
Accounts receivable	341,584	593,994
Promises to give, net	3,947,293	3,853,085
Beneficial interest in trusts	1,142,576	1,256,067
Investments	1,401,891	<u>1,511,558</u>
Total financial assets	10,717,246	13,070,903
Less amounts unavailable for general expenditures within one year, due to:		
Restricted by donors with purpose restrictions	497,673	3,031,507
Restricted by donors with time restrictions	3,944,493	3,851,083
Restricted by donors for funds held in perpetuity	<u>1,345,498</u>	<u>1,462,842</u>
Total amounts unavailable for general expenditures within one year	5,787,664	8,345,432
	<u> </u>	
Total financial assets available to management to meet cash		
needs for general expenditures within one year	<u>\$ 4,929,582</u>	<u>\$ 4,725,471</u>

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. In addition to financial assets available to meet general expenditures over the next twelve months, the Organization operates with a board approved, balanced budget and anticipates sufficient revenue to cover general expenditures, liabilities, and other obligations throughout the budget cycle.

3. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31:

	2018	2017
Land	\$ 7,264,093	\$ 7,271,634
Buildings and improvements	60,948,598	60,128,142
Furniture and equipment	4,451,799	4,467,898
Construction in progress	3,343,269	1,044,709
Total	76,007,759	72,912,383
Less accumulated depreciation	30,196,326	28,274,905
Net property and equipment	<u>\$ 45,811,433</u>	<u>\$ 44,637,478</u>

Included in buildings and improvements is \$4,600,000 paid by the City of Colorado Springs for the aquatics portion of the Southeast facility. Under the terms of the contribution the City will retain title for 25 years at which time the Organization will receive title. However, the Organization has unrestricted use of the aquatics facilities and is responsible for its operation and management.

4. PROMISES TO GIVE

The Organization instituted a capital campaign to improve existing facilities. Cash and promises to give raised through the capital campaign are restricted to payment of costs related to the facilities and campaign costs. Those restrictions are deemed to expire as payments are made. In addition, the Organization received promises to give through its annual Community Support Campaign which may be used for operations. Discounts on future promises to give are recorded using a discount rate of 2.7%.

Unconditional promises to give are as follows at December 31:

	2018	2017
Due in less than one year	\$ 1,534,529	\$ 2,085,113
Due in one to five years	2,683,683	2,049,984

5. BENEFICIAL INTEREST IN TRUSTS

The Organization is the beneficiary of various irrevocable, perpetual trusts held and administered by third parties. Under the terms of the trust agreements, the Organization is to receive a stated percentage of the interest earned on the corpus of the trust assets in perpetuity for its unrestricted use. The Organization's share of the assets held in the trusts totaled \$1,130,576 and \$1,244,067 as of December 31, 2018 and 2017, respectively, and are reported at fair value and included in net assets with donor restrictions in the Organization's consolidated statement of financial position. Fair value in the trusts is determined primarily based in the Organization's proportionate share of the fair value of the underlying assets of the trusts. Fair value of the underlying assets is determined using quoted market prices and pricing services.

The Organization is also a beneficiary under other charitable remainder trusts recorded at their estimated fair values of \$12,000 at December 31, 2018 and 2017.

6. CHARITABLE GIFT ANNUITY

In a prior year, the Organization entered into a charitable gift annuity under which the Organization obtained ownership of land and a building, valued at \$1,260,000. In exchange for the gift, the Organization is obligated to pay the donor monthly payments of \$6,300 for as long as the donor lives.

A liability is recognized for the present value of future payments over the donor's estimated remaining life expectancy of 7.31 years, using a discount rate of 6%.

7. LINE OF CREDIT

In June 2016, the Organization entered into a \$4,000,000 revolving line of credit agreement with a bank which expired in June 2018. The line bore interest at a variable rate of 2.90% in excess of LIBOR (effective rate of 4.14% at December 31, 2017) and was secured by the Organization's pledges receivable, revenues, and all deposit accounts. As of December 31, 2017, the outstanding borrowings were \$2,023,275. In 2018, the line of credit was paid off in full and was not renewed upon maturity.

8. DEFERRED RENT

During 2016, the Organization entered into a 75-year land lease which can be extended by the lessee for two 10-year periods. The lessee prepaid base rent of \$815,000 which the Organization has deferred and is recognizing on a straight-line basis over the term of the lease. During 2018 and 2017, the Organization recognized rental income of \$10,867 each year under the lease agreement.

The lessee constructed a building on the leased land to be used for healthcare related services. At the end of the lease term, the lessee will convey the building to the Organization.

9. NOTES PAYABLE

Notes payable consist of the following at December 31:

	2018	2017
Construction draw loan with draw maximum not to exceed \$3,500,000. Interest only payments are due for the first 18 months, followed by 66 equal payments of principal and interest of \$14,583 plus one final payment based on an amortization period of 20 years with interest at LIBOR plus 2.1% (4.45% at December 31, 2018) and is due September		
2025.	\$ 1,216,827	
Promissory note due to vendor, see additional information below.	475,469	\$ 466,521
Notes payable to vendors, payable in monthly installments of \$28,855, including interest at various rates from 0.001% to 4.5%, due January 2017 through September 2023, secured by equipment carried at an amount approximately		
equal to the balance of the notes.	470,292	560,444

	2018	2017
Note payable to an individual, payable in monthly installments of \$1,080, including interest at 9.0%, due June		
2018, secured by land carried at \$251,149.		6,312
Total	<u>\$ 2,162,588</u>	\$ 1,033,277
Required annual minimum principal payments on the above not	tes are as follows:	:
2019		\$ 258,730
2020		227,652
2021		160,921
2022		162,377
2023		640,202
Thereafter		712,706
Total		<u>\$ 2,162,588</u>

As of December 31, 2018 and 2017, the Organization owed \$475,469 and \$466,521, respectively, to a vendor for construction. In 2017, the vendor forgave \$908,948 of the balance of the loan principal and \$91,052 of accrued interest. The outstanding balance is to be repaid by 2023. The Organization recognized \$1,000,000 in contributions related to the forgiveness of debt in 2017.

10. BONDS PAYABLE

Bonds payable consist of the following at December 31:

	2018	2017
Bonds payable, Series 2016A, 2016B and 2016C		\$ 14,189,470
Less bond issuance costs, net	(140,494)	(160,565)
Bonds payable, net of bond issuance costs	\$ 13,471,30 <u>5</u>	<u>\$ 14,028,905</u>

In 2016, El Paso County, Colorado (the County) issued \$11,250,000 of Colorado Fixed Rate Refunding and Improvement bonds, Series 2016A; \$3,250,000 of Colorado Variable Rate Refunding and Improvement bonds, Series 2016B; and \$500,000 Colorado Variable Rate Refunding and Improvement bonds, Series 2016C, (together, 2016 Bonds) the proceeds of which were loaned to the Organization. The Bonds were issued to finance the costs of: 1) reimbursing the Organization for the construction, improvements and equipping of property located at 1750 Jackson Creek Parkway in connection with the construction in Monument, Co, 2) paying off the Series 2006 Bonds and 3) paying certain costs of issuance relating to the Bonds. The Series 2016A and Series 2016B Bonds are set to mature on July 1, 2026. As of December 31, 2017, the Series 2016C were paid in full.

The County issued the 2016 Bonds under a Financing Agreement between the County and a financial institution. The 2016 Bonds bear interest as follows: Series 2016A bears interest at a fixed annual rate of 2.84%. Series 2016B bears interest at a variable rate of 1.55% in excess of adjusted LIBOR (effective rate of 3.08% and 2.36% at December 31, 2018 and 2017, respectively), and Series 2016C, (which was paid in full in 2017) bore interest at a variable rate of 2.38% in excess of adjusted LIBOR (effective rate of 3.00% at December 31, 2016).

The loan agreement contains certain restrictive covenants including limitations on new indebtedness, disposal of assets or investments and a minimum rate of net income available for debt service to current debt expenses. As of December 31, 2018 and 2017, the Organization was in compliance with these covenants.

Required annual minimum principal payments on the above bonds are as follows:

2019	\$ 642,842
2020	656,416
2021	670,382
2022	684,749
2023	699,529
Thereafter	10,257,881
Total	<u>\$ 13,611,799</u>

11. INVESTMENTS AND FAIR VALUE OF FINANCIAL INSTRUMENTS

The Organization uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2: Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by Level, within the fair value hierarchy, the Organization's assets and liabilities at fair value as of December 31:

	Fa	air Value	Pric M Iden	Quoted es in Active arkets for itical Assets Level 1)	Ob	gnificant Other oservable Inputs Level 2)	Und	ignificant observable Inputs (Level 3)

	Charitable Gift Annuity
Balance January 1, 2017 Distribution	\$ 608,844 (62,745)
Balance December 31, 207 Distribution Change in value	546,099 (41,474) <u>61,676</u>
Balance December 31, 2018	<u>\$ 566,301</u>

12. BOARD DESIGNATED NET ASSETS WITHOUT DONOR RESTRICTIONS

It is the policy of the Board of Directors of the Organization to review its plans for future needs and to designate appropriate sums to assure adequate financing for the needs identified. Amounts designated by the Board of Directors for specific future needs are treated as board designated net assets without donor restrictions. The balance can be transferred to the undesignated portion of net assets without donor restrictions at the Board's discretion.

Board designated amounts included in net assets without donor restrictions as of December 31, are as follows:

	2018	2017
Designated for:		
Future maintenance	\$ 763,643	\$ 674,006
Endowment funds	746,507	814,521
Contingencies	391,983	391,983
Health and dental plans	251,615	279,237
Unemployment	139,952	139,952
Future building improvements	119,149	290,881
Technology	53,049	37,190
Use in specific programs	48,000	48,000
Other	 6,176	 6,176
Total	\$ 2,520,074	\$ 2,681,946

Future maintenance – Each month, YMCA centers contribute an allocated amount of earnings into this Association fund to pay for pre-approved projects and emergency repairs. The fund is controlled by the Association Offices and the centers do not own their contributions or use of the fund. The intent of management is that the fund will grow to cover future center projects to keep the centers in a like new condition.

Endowment funds – Board designated endowment funds are comprised primarily of the proceeds from three trusts of which the Organization was a beneficiary. At the time of receipt, the Board determined that there was not sufficient language in the Trust to permanently restrict the corpus; but, chose to designate the funds to provide long-term benefit to the Organization. The trust name, amount received, date received, and stated use is as follows:

\$239,023 was received from the Violet Linscott Trust in June 2002 to fund programs that benefit children.

\$254,546 was received from the Carl C. Fingel Trust in December 2006 to add to the building fund or "for some other worthwhile purpose".

\$139,457 was received from the Dorothy Shockley Chandler Trust in December 2011 to be used for the maintenance, improvement, and upkeep of the facilities.

Other endowment funds consist of \$113,481.

Contingencies – The contingency reserve is funded through allocated charges to certain centers and can be used to balance the operating budget at year-end. This fund is used as a mechanism to create cash savings to help the YMCA meet its days cash on hand requirement bond covenant.

Health and dental plans – Both the Organization and YMCA employees contribute into the health and dental reserves for the payment of insurance premiums and claims. The Board has designated the balance of the fund to be used for the benefit of employees in keeping insurance offerings as reasonable as possible while maintaining an adequate balance to cover potential claims.

Unemployment – The Organization is self-funded and billed directly by the State of Colorado for all unemployment claims. This fund is designated to fund potential future claims by current and past employees.

Future building improvements – This reserve is funded through annual operating surpluses and is used to pay property acquisition cost and property taxes on non-exempt YMCA properties.

Technology – The technology reserve is funded through center allocations and is used to purchase and update technology throughout the Organization. Expenditures are planned as part of the budgeting cycle and allow the Association Offices to control the replacement and upgrades of technology at the centers.

Use in specific programs – This fund was established to fund new and innovative program ideas presented by YMCA employees.

Other – This category of net assets was set aside by the Board to cover ongoing expenses related to Organization vehicles and center equipment.

13. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes as of December 31:

	2018	2017
Subject to the expenditure for specified purpose: Capital campaign funds collected Land for Briargate facility	\$ 239,914 257,759	\$ 2,773,748 <u>257,759</u>
Total	497,673	3,031,507
Subject to the passage of time: Time period restrictions Endowments subject to the Organization's spending policy	3,944,493	3,851,083
and appropriation Beneficial interest in perpetual trusts	214,922 <u>1,130,576</u>	218,775 1,244,067
Total	1,345,498	1,462,842
Total net assets with donor restrictions	\$ 5,787,664	\$ 8,345,432

14. ENDOWMENT FUNDS

The Organization's endowment consists of nine individual funds established for a variety of purposes. Its endowment includes both donor-related endowment funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The State of Colorado has adopted the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Organization has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions to be held in perpetuity (a) the original value of gifts donated to the permanent endowment, and (b) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in net assets with donor restrictions to be held in perpetuity is classified as net assets with donor restrictions restricted for a specified purpose or the passage of time until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of the Organization and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the Organization
- 7) The investment policies of the Organization

Endowment Net Asset Composition by Type of Fund as of December 31, 2018 is as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds Board-designated endowment		\$ 214,922	\$ 214,922

1,101

1,101

The portion of perpetual endowment funds subject to a time restriction under UPMIFA

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. No deficiency existed as of December 31, 2018 or 2017.

The Organization has adopted investment and spending policies for endowment assets with a balanced objective with an emphasis on long-term capital appreciation over current income to insure preservation of real purchasing power and growth of principal.

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

15. DONATED SERVICES, FACILITIES AND MATERIALS

The Organization recognizes donated services as contributions if the services create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed materials are recorded in the financial statements at their estimated fair value on the date of receipt.

A school district has provided local school facilities for use in YMCA programs at no charge to the Organization. No value has been placed on this donation of space and accordingly no contribution or expense is recorded because management does not believe it to have material value.

In addition, a substantial number of volunteers have donated significant amounts of their time in the Organization's fundraising and membership development programs. These donated services are not reflected in the accompanying financial statements since they do not meet the criteria for recognition under Generally Accepted Accounting Principles.

16. FUNCTIONAL EXPENSES ALLOCATION METHODS

The Organization allocates its expenses on a functional basis among its various programs and supporting services. Expenditures which can be identified with a specific program category (youth development, healthy living, social responsibility) or support services are allocated directly, according to their natural expenditure classification. Costs that are common to several functions are allocated among the program and supporting services on the basis of percentage of total expense incurred and estimates made by management.

17. COMMITMENTS AND CONTINGENCIES

The Organization is primarily self-insured for health costs and believes adequate accruals are maintained to cover the retained liability. The accruals for self-insurance liabilities are determined by management based on claims filed and an estimate of material claims incurred but not yet reported.

The Organization maintains third-party stop-loss insurance policies to cover health costs in excess of \$25,000 per employee in each year.

18. RELATED PARTY TRANSACTIONS

The Organization receives contributions from time to time from their Board of Directors, with some in the form of promises to give. As of December 31, 2018 and 2017, there were outstanding balances totaling \$311,417 and \$431,417, respectively.

19. RETIREMENT PLAN

The Organization participates in The YMCA Retirement Fund Retirement Plan (the Retirement Plan) which is a defined contribution, money purchase, church plan that is intended to satisfy the qualification requirements of Section 401(a) of the Internal Revenue Code of 1986, as amended and The YMCA Retirement Fund Tax-Deferred Savings Plan (Tax-Deferred Savings Plan) which is a retirement income account plan as defined in Section 403(b)(9) of the code. Both Plans are sponsored by The Young Men's Christian Association Retirement Fund (the Fund). The Fund is a not-for-profit, tax-exempt pension fund incorporated in the State of New York (1922) organized and operated for the purpose of providing retirement and other benefits for employees of YMCAs through-out the United States.

The Plans are operated as church pension plans. Participation is available to all duly organized and reorganized YMCAs and their eligible employees. As a defined contribution plan, the Retirement Plan and Tax-Deferred Savings Plan have no unfunded benefit obligations.

In accordance with the Retirement Plan agreement, contributions for the Retirement Plan are a percentage of the participating employees' salary. These amounts are paid by the Organization. Total contributions charged to retirement costs were \$727,575 and \$669,806 in 2018 and 2017, respectively, of which \$82,758 and \$76,020 was payable at December 31, 2018 and 2017, respectively.

Contributions to the Tax-Deferred Savings Plan are withheld from employees' salaries and remitted to the YMCA Retirement Fund. There is no matching employer contribution in this plan.

20. CONCENTRATIONS OF CREDIT RISK

The Organization has various money market accounts with brokerage firms which are not insured. The Organization has not experienced any losses in such accounts.

The Organization has significant investments in mutual funds, common stock, and corporate debt securities and is, therefore, subject to concentrations of credit risk. Investments are made by investment managers engaged by the Organization and the investments are monitored by the Organization. Though the market value of investments is subject to fluctuations on a year-to-year basis, management believes the investment policy is prudent for the long-term welfare of the Organization.
